

## Electrical Engineering Masters Transfer Credit Checklist

Student Name (Printed): \_\_\_\_\_

Student Banner ID Number: \_\_\_\_\_

Table 1: Courses to Transfer<sup>1, 2, 3, 4, 5</sup>

<sup>1</sup> A maximum of 12 coursework credits can be transferred for the MSEE degree.

<sup>2</sup> If more than two courses are to be transferred, please submit a second form.

<sup>3</sup> The minimum grade is B-, in addition to the criteria listed on the Grad School Transfer of Credit Form.

<sup>4</sup> For each course to be transferred, attach a copy of the course syllabus.

<sup>5</sup> Attach the [Graduate School Transfer of Credit](#) form to this checklist.

	First Course to Transfer		Second Course to Transfer	
Name of Institution				
Course Number, Course Name, Credits, and Grade				
Date Taken				
Catalog Description from Other Institution				
Closest Equivalent NMSU Course Number & Name <sup>6</sup>				
Most Recent NMSU Instructor <sup>6</sup>				
NMSU Instructor Signature <sup>6</sup>				
Count credits as (circle one):	450 – 499 level	500 or above level	450 – 499 level	500 or above level

<sup>6</sup> If no equivalent course can be found, use EE590, special topics, and use advisor's signature for instructor signatures.
